

**Join the Francestown Library
for a Telescope Program & Skywatch**

Friday April 8th

7:00 p.m.

at the Town Offices.

Francestown's Scott McCartney, a member of the New Hampshire Astronomical Society, will do an indoor presentation on astronomy. A skywatch will take place in the parking lot of the Town Offices immediately following the indoor portion of the program. Scott will have his own telescopes set up for viewing the night sky. The library's Orion StarBlast telescope, which is available for patrons to check out, will be set up for those who wish to learn more about using it.

Rain Date: Saturday April 9th, 7:00 p.m.

In the event of inclement weather both days, the indoor portion will take place on the 9th, along with a demonstration of how to use the library's telescope.
