Est. Value/Cost of project \$ \_\_\_\_\_ Total Square Footage: \_\_\_\_\_

Activity description:     New Construction     Addition     Alteration  
                                   Demolition                    Other

Is this property in "Current Use"?     Yes     No

Is lot located in a special flood hazard area?     Yes     No

Is this home equipped with fire sprinklers? Or requires sprinklers if new construction?     Yes     No

Will trusses and/or joists be used?     Yes     No    Type \_\_\_\_\_

Heating, if any:     Oil Burner Heat     Electric Heat     Gas Heat     Other

Provide a clear plot plan showing all dimensions of the lot, present buildings, proposed building, and all required setbacks. Building plans must show all construction detail with footprint drawings as well as elevation drawings. Manufactured structural elements (ie Truss, LVL) need cut sheets. A certified plot plan is required for all properties unless waived by the code officer.

**All work details and specifications must comply with the Town of Francestown Zoning Ordinance and State of New Hampshire Building Codes.**

The undersigned hereby agrees that the proposed work shall be done in accordance with the foregoing statement, and with the plans and specifications submitted; and that the work connected therewith shall conform to the building laws and regulations of the Town of Frankestown and State of NH. All work to be subject to inspections as required by the Building/Code Official.

**BY SIGNING THIS APPLICATION, YOU AGREE TO ALLOW THE APPROPRIATE TOWN OFFICIALS TO ACCESS YOUR PROPERTY FOR NECESSARY INSPECTIONS.**

**PROCESSING OF THIS APPLICATION MAY TAKE UP TO 15 DAYS**
