Next Board of Selectmen meeting Monday April 22th at 6:30 p.m.

As you are aware, late Monday afternoon we received the final temporary bridge plans from CLD. At that time I finalized the bid documents for mailing and advertising. I also reviewed a draft policy regarding bonds that the planning board is considering and provided some comments. On Tuesday I was out sick.

We had our public assistance fair hearing on Thursday and I am pleased to report that the fair hearings officer Peter Flynn ruled in favor of the Town and Phyllis's decision. While Peter was here from New Boston we also discussed some non-binding terms for our Towns in recognition that we both employ Ed as our building inspector. Gary and I also reviewed the clerk-of-the-works applications; we received four applications and I have set up three interviews for Monday night starting at 7:30. I had placed copies of the resumes and applications of the three candidates on each of your chairs for your review.

On Friday I attended my seminar on the recycling and solid waste markets.
