Next Board of Selectmen business meeting Monday June 3rd at 6:30 p.m.

This shortened week thanks to Memorial Day was primarily focused on working on our application for the US DOT TIGER Grant. This program is for transportation projects over \$1 million and can receive up to 100% funding. I am applying for the long-term replacement of the bridge on the Turnpike with the thought being if we receive a TIGER Grant we can try to substitute another of our red-listed bridges into our state bridge aid slot.

As you may know, work on the site of the temporary bridge on the Turnpike began on Monday as planned. The pavement has been removed and excavation has begun. In addition, all of the bridge beams have been hauled in from Bedford.
