**Next Board of Selectmen meeting Monday 8/4 at 6:30 p.m.**

**REMINDER:** If anyone asks you, informal taxpayer hearings regarding new assessed values are Saturday, August 9 (9am-4pm); Monday, August 11 (11am-7pm); and Wednesday, August 13 (9am-5pm).

Dave Marazoff will be attending your meeting on Monday to provide you with information regarding the status of the preliminary values for the revaluation. We got word from the state that our requested change to move to the Southern Region for regional planning purposes has been approved. On Wednesday we had our required quarterly safety committee meeting and inspection reports were submitted to each department for this year's inspections. I put together letters for you to sign notifying the organizations that requested tax exempt status of your decisions made on Monday.

Due to the new location our aluminum cans are now going to we can no longer provide the cans in bags as we have in the past. In the short term George and Heather needed to empty out all of the bags that were currently filling the container. George has come up with a possible solution going forward using the current container, which I will run by you on Monday.
